Ans'd.....

Annette McCoubrey  
Project Officer  
Tobacco-Related Disease Research Program  
2150 Shattuck Avenue, Suite 500A  
Berkeley, CA 94720

Dear Ms. McCoubrey,

Please find enclosed the animal approval for the "Effects of Passive Smoking on Experimental Atherosclerosis." Note the 4/1/92 expiration.

Thanks,

A handwritten signature in dark ink, appearing to read "Rich Sievers".
